RETIREMENT ACCOUNT GIFTS

Many don't realize that they can make a gift to support The Oglebay Foundation, now or in the future, through their retirement accounts.

Naming The Oglebay Foundation the after-death beneficiary of all or some of such an account is a worthwhile option to consider. To do that, our FEIN of 55-0750128 will be needed.

Right now, anyone age 70 ½ or older who has funds in an Individual Retirement Account can use any amount, including some or all of their minimum required distribution for the year, to support The Oglebay Foundation. Doing that will mean the required distribution has been made, and no federal or West Virginia taxes will be owed on the distribution.

The Oglebay Foundation seeks and administers private support for the continuing development of Oglebay and Wheeling Park and their recreation, conservation, and community programs.
