LIFE INSURANCE

Life insurance can play a very important part in planned charitable giving. A policy may have “outlived” its original purpose of covering college costs or other living expenses.

A paid-up whole life insurance policy is the best gift. The ownership would be transferred to The Oglebay Foundation and you would receive a charitable gift deduction. A professional appraisal is needed, and we can help you with the process.

Other policies will be considered on a case-by-case basis.

The Oglebay Foundation seeks and administers private support for the continuing development of Oglebay and Wheeling Park and their recreation, conservation, and community programs.
